

JOURNAL OF EARTHQUAKE ENGINEERING AND ENGINEERING VIBRATION

COPYRIGHT TRANSFER FORM

Formal written transfer of copyright from the Author(s) to the Journal required for each article. Such transfer enables the Journal to provide for the widest possible dissemination of the article through activities such as: retrievability and accessibility of information; delivery of information; individual article supply; production of microfilm editions; authorization and distribution of reprints; translation; other forms of distribution for use of all or part of the article in electronic and other formats to be developed. Without this transfer of copyright, such activities on the part of the Journal and the corresponding spread of information are limited; transfer of copyright is also required to enable the Journal to defend against plagiarism and other forms of copyright infringement. We therefore ask that you complete and return this form promptly. Your co-operation is essential and appreciated.

Copyright of the below article to be published in *Earthquake Engineering and Engineering Vibration* is hereby transferred throughout the world and for the full term and all extensions and renewals thereof, to: the Journal of Earthquake Engineering and Engineering Vibration
